## Respect Life Month

The United States Council of Catholic Bishops has designated October as Respect Life Month. St. James is commemorating Respect Life month by putting up crosses on the school front lawn to remember the over 60 million lives that have been lost since the 1973 Supreme Court decision that legalized abortion. We mourn all those children. Please pray for the women and families who will never know the love of the child lost. May God comfort and sustain them.

## Come to the Movie !

In 1931, Jesus appeared in Poland to Faustina Kowalska. Clothed in a white robe and emanating two large rays of red and white from His side, Jesus asked Faustina to paint this image along with the phrase, "Jesus, I trust in You." He asked her to spread the message of mercy around the world, and promised that anyone who venerated this image of Divine Mercy would obtain eternal life. The new docudrama "**Faustina: Love and Mercy**" is a gripping and compelling account of divine friendship that will leave viewers in awe. This movie will have one exclusive showing on **Monday evening, October 28<sup>th</sup> at 7:00 pm** at three area theatres: Regal Crocker Park Cinema, Cinemark Strongsville at Southpark Mall and Cinemark at Valley View. Everyone is encouraged to purchase tickets online at Regal or Atom to ensure seating.

## Sunflowers

Sunflowers turn according to the position of the sun. In other words, they "chase the light." You might already know this, but there is another fact that you probably do not know! Have you ever wondered what happens on cloudy and rainy days when the sun is completely covered by clouds? This is an interesting question Isn't it? Perhaps you think the sunflower withers or turns its head towards the ground. Is this what crossed your mind? Well, that's incorrect!

This is what happens. They turn towards each other to share their energy. Nature's perfection is amazing. Now let's apply this reflection to our lives. Many people may become low-spirited, and the most vulnerable ones, sometimes, become depressed. How about following the example of the beautiful sunflowers, i.e. "Supporting and empowering each other." Nature has so much to teach us. Wishing everyone a "Sunflower" trait of turning towards each other on their cloudy and gloomy days.

Spread goodness...it will come back to you.
